

SENATE BILL 513

By Tracy

AN ACT to amend Tennessee Code Annotated, Title 62,
Chapter 21, Part 1, relative to pesticides and
herbicides.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 62-21-102(7), is amended by adding by deleting the semi-colon (;) at the end of the subdivision and by substituting instead a period (.) and is further amended by adding the following language at the end of the subdivision:

"Commercial pest control operator" does not include an individual who solely provides custom application of a pesticide with the active ingredient Glyphosate if such individual applies five (5) gallons or less of such pesticide from a container with a capacity of five (5) gallons or less during each application service provided and such pesticide is applied for use as an herbicide;

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
